

George W. Anderson, Camp 58

Sons of Union Veterans of the Civil War

March 14, 2024

Department of Michigan members:

Todd Cordill transferred from the Department of Michigan Camp-at-Large to Camp 58 in 2020.

We have gotten to know him as a hard working person who believes in the principals of the Sons of Union Veterans of the Civil War.

Since joining Camp 58,

- Todd is a member of Camp 58 in good standing.
- He has ordered Civil War headstones for his ancestors and coordinated with the Department of Indiana Graves Registration Officer for the delivery, installation, and headstone rededication. He's also coordinated with a cemetery sexton in Clinton County for delivery, installation of Civil War headstones.
- Became the Camp coordinator with the American Legion in St. Johns, Michigan for the annual Memorial Day services held on May 30 each year.
- Served as Patriotic Instructor for the camp and always presented items of interest of battles during the Civil War that took place during or near the months we met for our meetings.
- Set up a recruiting table at a Civil War event at the Meridian Township Historical Village and had members of Camp 58 and Camp 17 man the table and converse with the public on our organization.
- This year the camp membership elected Todd as Camp Senior Vice Commander.
- Attends Department encampments.

Todd is running for the position of Department of Michigan Junior Vice Commander. All the members of Camp 58 and fully support his election to the position of Department Junior Vice Commander.

If you have children, you know there are certain days during your child's life that are important for the father to be present on those special days. Todd's daughter is graduating from Michigan State University on April 27, 2024, the same day as the Department Encampment.

Although Todd will not be in attendance at the Department Encampment this year, we hope you will still support him for the position of Department Junior Vice Commander.

Thank you for your consideration.

Sincerely,

Dick Williams
