Additional Organizations:

I am a member and an officer in many patriotic, genealogical, historical, and fraternal organizations on the local & state (Michigan and other states) levels. Many of these organizations cover American history from Colonial America to the American Revolution to additional Civil War organizations beyond the SUVCW, and onward. For the sake of time and space I will refrain from listing all of these great organizations, but am always happy to discuss them with one and all!

I believe my background and experience in the Order, other organizations, and professionally provide me the ability to continue to serve the Department and the Department Council well. Thank you for your time and consideration.

Yours in Fraternity, Charity, and Loyalty,

/s/
